My Brethren All,

I want thank once again, W. Bro.'s Clive Stephenson, Roy Eaton, and Bob Dutton, Bro. Bob Bryson, and all the Brethren for their support, work and participation in our Veteran Appreciation Night. Well done! There are already indications that it will continue next year.

One of our gentle Fraternity's fundamental requirements, you could argue that it is a Landmark, is the belief in a Supreme Being.

December is synonymous with Christmas, and conjures up picture postcard images of snow-encased landscapes, colourful lights, warm glowing fires, Christmas Eve services and children taut with anticipation.

Moreover, while these images may be true for a great deal of us, December holds special significance for faiths other than Christianity:.

December sees observances that include:

Eid ul-Adha - Islamic Feast of Sacrifice The most important feast of Islam concludes the Hajj and is a three-day festival recalling Abraham's willingness to sacrifice his son in obedience to Allah

Bodhi Day (Rohatsu) - Buddhist celebration of the time when Prince Gautama took his place under the Bodhi tree, vowing to remain there until he attained supreme enlightenment

Hanukkah - Jewish Festival of Lights It commemorates the Maccabean recapture and rededication of the Jerusalem Temple in 165-164 b.c.e. Special readings and praise songs focus on liberty and freedom. The eight candle Menorah is lighted

Zarathosht Diso - Zoroastrian anniversary of the death of Prophet Zarathushtra.

As a Christian, I extend sincere Christmas Greetings from my Family to Yours and wishes for a rewarding and successful New Year.

As a Brother I say:

م السلام, **Mir, Rauha, Paix, Frieden, שלום, Pace,**

Grand Master's Christmas Message Seasons Greetings

As we approach the season of giving, let our hearts rule our lives for this short period of time.

We are called upon in many ways to show our Charity, first of all to our families by being present, by celebrating with them the joys of the season, by spending time with our loved ones and our friends both in contemplation and in relaxation from our busy lives. With those in our places of worship, let us be as one, practice tolerance and the ideals on which our fraternity is based.

Let us not forget those less fortunate homeless individuals. Remember the widows of those Masons who have gone before, the many other charities that rely upon our individual support and others who require our benevolence of spirit and forgiveness. The great leaders of our faiths are unified in their push for peace and goodwill amongst mankind.

Brethren, I have talked about Masonry, Making a Difference, in our lives, our homes, our lodges and our communities. This is the time of year that we can really exemplify the true spirit of Masonry in all that we do and show those around us that indeed Masonry lives and thrives on its charitable precepts learned at Initiation.

I am so proud when I learn of the charitable support that is given by the Masons throughout North America. We use the figure of 3 million dollars a day but in fact that is a small number in comparison to the real worth the Masons provide in Charity and goodwill. Each Jurisdiction has its own charities and Charitable Foundations. Some support Masonic Homes for their aged brethren. Districts in each Jurisdiction have their own Charity. Each Lodge has a charitable and a benevolent arm. Each of the appendant bodies have their special charities such as orthopaedic and burns hospitals, Dyslexic Centres, work with Alzheimer and bursaries for students.

I could go on. Where does the aid come from? We as Masons are the sole contributors. Even though we practice Charity all year long let our hearts feel a special tug at this Yuletide season. Through the act of giving we will feel uplifted in spirit as we 'exercise that virtue which may justly be denominated the distinguishing characteristic of a Mason's heart'.

As the song says;
"Have yourself a Merry Little Christmas, let your heart be light,
From now on our troubles will be out of sight..."

On behalf of my wife, Mary, and myself, I offer to you and yours the greetings of the season and wish you all the best for a happy and prosperous New Year.

Allan J. Petrisor,
Grand Master

Sudbury-Manitoulin District Veteran Appreciation Night

The Sudbury-Manitoulin District honoured our Veterans and Servicemen during the regular meeting of Nickel Lodge No. 427 on Wednesday, November 5th 2008. The evening is so noteworthy the brethren of Espanola Lodge No. 527, which happens to meet on the same Wednesday night received Grand Lodge dispensation to cancel their November meeting so they could attend.

The evening got its start when R.W. Bro. Robert J. Fleming D.D.G.M. spoke to the Worshipful Master of his Mother Lodge, W. Bro. Clive Stephenson and W. Bro. Roy Eaton, Doric Lodge P.M. and President of the Royal Canadian Legion Branch 177 in Little Current about holding an appreciation night for our veterans. He wanted the evening to be held during Veteran's Week Nov.5th – 11th and similar to the one held by Doric Lodge No. 455 when W. Bro. Eaton was Master.

Bro. Robert Bryson, member of R.C.L. Branch 76 helped to recruit Masonic Veterans living in Sudbury while W. Bro. Eaton took care of the Western part of our District. Over 100 Masons joined ranks with our honoured veterans and servicemen to thank them and to remember those who gave the ultimate sacrifice so that we enjoy our freedom and security in Canada.

The Christmas Season is upon us, and Freemasons along with their families are gathering together for the festivities. While decorations, fine foods and gifts have become an essential part of this holiday season; let us not forget its true significance and how it is so very much a part of our belief in God. Our corner of the world is primarily of Christian descent however, we are a part of a cultural melting pot and religious tolerance is essential in our society. The belief in a Supreme Being is the cornerstone of Freemasonry and our guide to acceptance of a man's faith in God.

Let us also be mindful of those less fortunate and extend the hand of charity further so everyone may enjoy Christmas with their families. May each of you along with your families have a very Merry Christmas. May you enjoy the true meaning of this time of year and prove how love and tolerance for each other will defeat hatred and make the world a better place to live.

*Fraternally yours,
R.W. Bro. Allan Burns*

This degree is based upon the story of Noah and his ark. The presiding officer of a Royal Ark Mariner lodge, the Commander, represents Noah, and the Senior and Junior Warden his sons Shem and Japheth. The ritual emphasizes the cardinal virtues, using the triangle and the working tools with which Noah built the ark - axe, saw, and auger - to point the moral lesson.

The principal emblems of the degree are the triangle, rainbow, and a dove with an olive branch in its beak. The earliest record of the degree being worked comes in Bath in 1790. Today in our Jurisdiction, Royal Ark Mariner lodges are "moored" to most Councils – due to the long distances between Councils Select Masters who receive the Royal Ark Mariner Degree may then wear the "Rainbow" jewel.
