From the District Deputy
My Brethren:

Charles Dickens wrote: "I have always thought of Christmas time, when it has come round, as a good time; a kind, forgiving, charitable time; the only time I know of, in the long calendar of the year, when men and women seem by one consent to open their shut-up hearts freely, and to think of people below them as if they really were fellow passengers to the grave, and not another race of creatures bound on other journeys."

At this special time of year, may we remember our words as an Entered Apprentice, when we professed to practice the principal virtue of Charity and remember those less fortunate.

In closing, my wife Margaret and I extend to you and your family the very best of Christmas wishes, may the Creator bless you and walk with you and your family throughout the coming year. To our friends of all faiths, we extend the best wishes for the New Year. May it be a year filled with health, fellowship and the fulfillment of many of your dreams.

Sincerely and fraternally

Roy and Margaret Eaton

Sudbury-Manitoulin District Veterans' Appreciation Night

The Sudbury-Manitoulin District held their second annual Veterans' Appreciation night Friday, November 6th 2009 at the Belrock Masonic Centre.

Bethel Lodge No. 688 acted as Host Lodge for the evening, which began with dinner in the banquet room and followed with a moving speech by Past Grand Master, M.W. Bro. Donald Mumby. The brethren and guests then entered the lodge room for the remembrance ceremony.

Guests included Veterans, members from the Armed Forces and Cadets.

M.W. Bro. Donald M. Mumby P.G.M. honoured the members of the Canadian Forces present noting that some of them were wearing the Afghanistan G.C.S. Medal marking their military service in that troubled country.

He spoke about how fortunate we are today in our country to be able to enjoy the freedoms and luxuries we have. And he pointed out that war and oppression arise from hatred, greed, envy, and fanaticisms of the older generations and how it is always our brave young men and women who are called upon and who step forward to serve our country and those troubled nations in need.

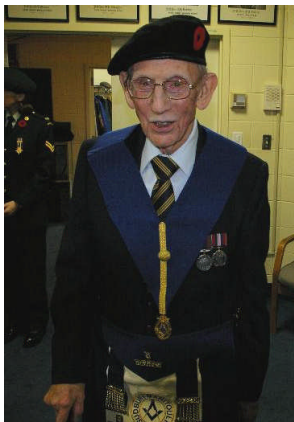

R.W. Bro. John Hodder from Doric Lodge No. 455 prepares for the Rose ceremony honouring those soldiers who made the supreme sacrifice for our country and us.

V.W. Bro. Keith I. Jordan presents a cheque from the Java Guild to assist with the building costs of the home that is being built for Cpl. Bill Kerr, a wounded veteran of the Afghanistan war. Cpl. Kerr's commanding officer accepts on his behalf.

R.W. Bro. George Chambers prepares to enter the lodge room.

The Christmas Season is upon us; Freemasons along with their families are preparing for the festivities. Family gatherings, decorations, fine foods, and gifts have become an intrinsic part of the holiday season for many in our prosperous society. Let us also not forget its true significance and how it is so very much a part of our belief in God.

Our part of the world is primarily of Christian descent however we are a part of a cultural melting pot and religious acceptance by everyone is essential for social order. Masons are men of faith but Freemasonry is not a religion or a substitute for religion. The belief in a Supreme Being is the cornerstone of Freemasonry and our guide to acceptance of men of all faith and good character.

This is also a time for us to be mindful of those less fortunate. Consider extending the hand of charity further so everyone may enjoy Christmas in a special way with their families.

May each of you along with your families have a very Merry Christmas. May you enjoy the true meaning of this time of year and prove how love and tolerance for each other will defeat hatred and make the world a better place to live.

Fraternally yours,

R. W. Bro. Allan T. Burns

Canadian Blood Services News – Donating Blood During This Uncertain Flu Season

The blood donor clinic is truly feeling the effects of this uncertain flu season. For example: Today's clinic so far we have only collect 9 units of blood since this morning at 8:00 a.m.!

Our clinic at 235 Cedar Street has noticed a significant reduction in blood appointments and we are asking for your help to ensure there is an adequate supply of blood over the next month and going forth into the holiday season.

If you could please forward this email to your friends, family and colleagues to let them know that we need to collect 40 units of blood everyday in order to meet the constant demand for blood by our hospitals. We are currently in need of all blood types, so if you are eligible to donate blood and are feeling well please call 1-888-2-DONATE (1-888-236-6283) to make an appointment to give blood.

Our clinic is open Monday to Friday from 8:00 a.m. to 8:00 p.m. If you are unable to make an appointment feel free to walk-in during our clinic hours.

Special Events at the clinic

November - Canadian Forces Challenge (sign and send words of encouragement in an "In Honour" card that will be sent to our troops overseas) and the Accountants' Challenge (Local accountants try to "Balance the Blood Bank" in the month of November). Sign in sheets are located at the reception desk for your blood donation to be counted in each challenge.

December - Mining Suppliers Challenge - (Local Mining Suppliers get involved by donating blood before the holidays to ensure there is an adequate supply of blood during the holidays). Sign in sheets will be located at the reception desk for your blood donation to be counted in the challenge.

Please help save up to 3 lives by donating blood! It only takes 1 hour of your time and the benefits are that you could save someone's life.

Someday is today – For everyone who says they will give blood someday, either again or for the first time, we remind them that “Someday is Today.”

This degree is based upon the story of Noah and his ark. The presiding officer of a Royal Ark Mariner lodge, the Commander, represents Noah, and the Senior and Junior Warden his sons Shem and Japheth. The ritual emphasizes the cardinal virtues, using the triangle and the working tools with which Noah built the ark - axe, saw, and auger - to point the moral lesson.

The principal emblems of the degree are the triangle, rainbow, and a dove with an olive branch in its beak.

V. Ill. Comp. Allan P. Sweetman, Grand Sentinel – R. Ill. Comp. Donald J. Emrick, Grand Principal Conductor of the Work – R. Ill. Comp. Paavo E. Liukko, Grand Inspector General District “E”

The earliest record of the degree being worked comes in Bath in 1790. Today in our Jurisdiction, Royal Ark Mariner lodges are "moored" to most Councils – due to the long distances between Councils Select Masters who receive the Royal Ark Mariner Degree may then wear the "Rainbow" jewel.

Sudbury Shriners at 2009 Remembrance Day Services

By Noble Wah Chung

This year we had 22 Nobles and few Ladies of the Sudbury Shrine Club Participating in Sudbury's Annual Remembrance Day service held at the Sudbury Arena. We paid our respects and remember those who sacrificed so much for Canada and paid our tribute to Canada's Veterans.

Prior to the service, we assembled at the Sudbury Minto Street Cenotaph at 10:00 a.m. and laid our Sudbury Shrine Club wreath at 10:15 a.m. at the Cenotaph. Then we joined the Remembrance Day Services inside the Sudbury Arena as representatives of the Shriners to recognize the significance of Canada's sacrifices and achievements.

We participated in the laying of wreaths to pay our respects to and recognize the contribution of those who gave their lives while in service. We also pay tribute to those who sacrificed for us so that we can live in a peaceful world with harmony. This service also recognize those who continue to service for the cause of freedom, justice and peace.
