From the District Deputy

Brethren, as the year for my term as DDGM draws to a close, I would like to thank all of our District Committee Chairmen for an outstanding job. I would also like to recognize my District Secretary; without his help, my task would have been impossible to do. He has made my job much more enjoyable. He has kept the path for my Masonic year clear and smooth. W. Bro. Stephenson, it has been a great pleasure and an honour to have had you working with me.

As my year draws to a close, I would like to again bring to the attention of all my brethren in the Sudbury Manitoulin District, that we all share the same belief in the craft, yet we all have different perceptions on how it works for us. As we move forward, let us try to have understanding for our fellow Masons, whose understanding might seem different to us. At the end of the day we are all still brothers under the Masonic banner. I can only hope that we become better men who share the Masonic belief. I would hope that we all take time to greet new members and renew old friendships within the lodges.

I would like to thank each and every one of you for allowing me the honour of being allowed to serve you as your DDGM.

Thank You
Al Stonier

Symbols are the universal language because they present a message in a way that is easily understood by everyone in spite of differences in language in various parts of the world. It is no accident that Freemasonry with its dream of universality adopted symbols to teach basic moral Truths.

THE 100 MILLION DOLLAR CLUB

It takes over **\$2.9 million of dollars a day** to operate the 22 Shriners Hospitals for Children. The medical care given through this Shriners Hospital network has cured or substantially helped more than 700,000 children - without cost to them or their families. The money to operate these 22 hospitals comes from several sources: the \$5 annual hospital assessment paid by each Shriner; monies raised by Shrine fund-raising events such the East/West Shrine Football Game and Shrine paper sales; and income from the Shriners Hospital for Children Endowment Fund.

The endowment fund provides approximately 90 percent of the hospitals=operating incomes. This fund is supported by the gifts and bequests of **Shriners** and **non-Shriners** alike. As hospital costs climb and Shriners Hospitals continue to provide more specialized care and conduct more research, the financial need increases.

Too many people, both **Shriners** and **non-Shriners**, believe that if they cannot donate or leave a large sum or money, their gift will not count. Obviously, every contribution helps. **In order to encourage Shriners and non-Shriners to contribute to Shriners Hospitals for Children**, the **HUNDRED MILLION DOLLAR CLUB** was established in 1972. The club got its name from its goal of adding 100 million dollars to the endowment fund **through gifts or bequests of \$100 or more.**

How to join

There are three ways to become a member of the 100 Million Dollar Club: (1) By contributing \$100 or more to Shriners Hospitals for Children; (2) By having your will include a bequest of \$100 or more to Shriners Hospitals for Children; (3) By adding a provision to an existing will leaving \$100 or more to Shriners Hospitals for Children.

All such contributions should be processed through your local Shrine temple Recorder. **Please fill out the enclosed application form, making your cheque payable to the Shriners Hospitals for Children and return both to the Sudbury Shrine Club. If you need more information, please feel free to phone WAH CHUNG AT 705-674-6159.**

What you receive

Each donor receives a handsome **100 MILLION DOLLAR CLUB certificate** from Rameses and a **receipt for Income Tax Purposes**, and a chance to **engrave your name on our 100 MILLION DOLLAR CLUB souvenirs plaque.** By contributing \$100, you can feel like a million, knowing that you have helped to ensure that Shriners Hospitals for Children will be able to continue helping children in the years to come.

Our goal is to help the crippled children, please give generously to the Shriners Hospitals for Crippled Children's Endowment Fund. Your generous donation will help the 22 Shriners Hospitals for Children in continuing its famous orthopaedic surgery, burn units, support for research, and new patient care technology.

Your gifts will make a greater difference in the live of children for years to come, and ensure that the SHRINERS HOSPITAL for CHILDREN will be here when we need it.

Best wishes for a safety, Healthy and Enjoyable Summer with Family and Friends
