R.W. Bro. Allan Burns

From the District Deputy As we start a new month, brethren, and look back at the cold, windy weather we had in January, we can be thankful for the warmth of a brother's handshake and a true and honest friendship.

With the New Year, the Installation of Officers begins, and the first was Bethel Lodge No. 699 in January.

The Ceremony of Installation is truly a memorable ceremony, with some of our most beautiful ritual. The most beautiful of all, in my opinion, is the General Charge. The Ceremony of Installation is one which unfortunately, too many of our members see but once a year, and if the ceremony is slow, many members are tired and don't fully absorb the General Charge at the end.

Most of the Installation Ceremony is done exactly as it was in England 200 years ago, with one notable exception. The General Charge, delivered to the lodge at the end of the ceremony, is for the most part, a "made in Canada" charge. It is a magnificent charge and contains the very essence of Masonry.

The complete General Charge was first put together in 1874 and published in 1876, by a devoted mason, Otto Klotz. Otto Klotz was a German, coming to Canada as a young man. He was a successful businessman and hotelkeeper in Preston, Ontario. He never aspired to the chair of Grand Master, but in recognition for his services to Grand Lodge, he was given the rank of Past Grand Master, Honorary, in 1885.

Various paragraphs of the General Charge were taken from different Grand Masters' addresses, but paragraphs four to eleven, on the ideal of a freemason, were composed by Brother Klotz and appear at the end of an article entitled "The History of Freemasonry" which was published in the Canadian Craftsman for March of 1868.

When each lodge in our district has its Installation, make it a priority to attend. Listen to the ritual and absorb it. The new master and his officers are starting on a daunting voyage to show their devotion to their lodge and the craft in general, and to exemplify what it means to be a Mason. Give them your support!

May the Great Architect continue to watch over our Craft.

Fraternally,

R. W. Bro. Clair Bracken

ALGONQUIN LODGE NO. 536 DEGREE TEAM

R.W. Bro. Brian Koivu organized a special visit of Algonquin Lodge brethren to Hazeldean Lodge No. 517 in Kanata to conduct a double third degree on Saturday, January 25th 2014. Included in the degree team were M.W. Bro. Donald Mumby, R.W. Bro. Brian Koivu, R.W. Bro. J. David Bell, R.W. Bro. Pat Gillespie, R.W. Bro. Paul Ashley, R.W. Bro. Allan Burns, V.W. Bro. Wayne Quinn, and W. Bro. Jason Ashley. The team also had the opportunity to say hello to W. Bro. Murray Pierce.

The emergent meeting started at 9:00am and Bro. Jason Butler and Bro. Jean Francois Gaudin were examined then Raised to the Sublime Degree of a Master Mason.

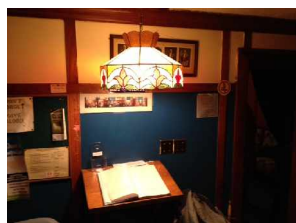

Gallery view looking east

The event had its origin with R.W. Bro. Koivu's brother in law, Bro. Allan Liimatainen who is a member of Hazeldean lodge. During summer visits, Brian met soon to be elected R.W. Bro. Dario Macuso a Past Master of Hazeldean. A proposed visit of Algonquin brethren was discussed and eventually a plan was organized.

Hazeldean Lodge No. 517 celebrates their centennial this year and the brethren are still using the original lodge building. In fact, they did not have electricity in the building until 1980. The lodge room is very ornate and contains a gallery in the West above the Sr. Warden.

Looking west you can see the upper level gallery

The entrance to the building is quite small brethren will immediately go down stairs to get properly clothed then proceed upstairs to sign the Register and enter the lodge room.

Ninety-four year old ticket still good for One Meal...

(Front L-R) R.W. Bro. Dario Mancuso, Bro. Jason Butler, Bro. Jean Francois Gaudin, M.W. Bro. Donald Mumby, R.W. Bro. Brian Koivu

The brethren noted if there are too many sitting in the gallery the Inner Guard cannot open the Tyled door.

Hand woven Mosaic Pavement from the U.K. designed and made by one man

Pump organ used by the Lodge Organist sounds as good as it did when it was new.
