From the District Deputy

Brethren;

As we turn the page to a new year, and resolve to do some things differently, we naturally reflect on the past year and the opportunities we had, within our families, our craft, and our community to put our lessons to use.

Hopefully we have emerged as better fathers, husbands, and citizens so that we can cast honour on our craft.

As I said in a recent address, our ritual in the first degree talks of the three principle rungs of the ladder, faith, hope, and charity. It states that the third and last rung being Charity, it comprehends the whole. However, charity can only be considered as important as faith or hope, when charity is thought of as love.

To love our fellow man, without any expectation in return, is to show the true glory of our Masonic structure.

The month of December was busy for all of us, with family and lodge obligations, but I wish to thank all the lodges for their participation in the annual CTV Lions Christmas Telethon. Our monetary gift, as well as our exposure on television answering the phones, was important to this district.

My last meeting of 2013 was my Official Visit to Espanola Lodge, where my son was the Worshipful Master. I have to admit it was hard to contain my pride.

To R. W. Bro. Allan Burns, the editor of this newsletter, I offer a special thank you from the district for your efforts in 2013. This is no small task and we thoroughly enjoy every issue.

January's Trestle Board indicates a lodge installation as well as an official visit. Attend your own lodge, and if possible show your support to the other lodges on their special nights.

In the New Year, I ask each of you to live your lives so as to bring attention and respect to our craft. May people admire us for the way we live, and know we are masons by our actions, and not just by the ring we wear on our finger.

May the Great Architect continue to watch over our craft.

Fraternally,

R. W. Bro. Clair Bracken

MASONS HELPING MASONS

Belrock Update

by W. Bro. Roger Kitching

The chairs in our lodge room have been getting relatively tired; they have required many welding repairs and lots of T.L.C. over the last few years. The Sudbury Manitoulin District membership is fortunate to have Bro. John Brown and Bro. Alan Fey in our membership.

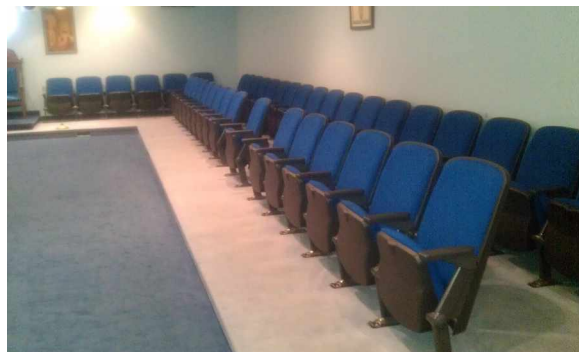

Rameses Shriners of Toronto had sold their building on Keele street and the chairs in the Craft Lodge room located in the Temple building contained theatre styled chairs that were donated to Zeta Shamrock Lodge #533 by W. Bro. Henry Herbert Memorial Trust Fund. The coincidence of "Son and Brother-In-Law" happened and Bro. John Brown's son and Bro. Alan Fey's brother-in-law now W. Bro. James Brown was installed as the Worshipful Master of Zeta Shamrock Lodge in 2013.

W. Bro. James Brown had visited Friendship Lodge No. 691 at the Belrock Masonic Centre on different occasions and the lodge room chairs came up in their conversation. A generous offer was made by Zeta Shamrock Lodge to donate their lodge room chairs to Belrock. The offer was gratefully accepted by the Belrock Temple board.

Brethren from the Sudbury-Manitoulin district travelled to Weston Lodge for the Installation of W. Bro. James Brown. They included Bro. John Brown, Bro. Alan Fey, Bro. John McCowan, V.W. Bro. Brian Stoddart, V. W. Bro. Lyle Redden, Bro. Stan Waltenbury, W. Bro. Roger Kitching.

Bro. Stan Waltenbury, Bro. John McCowan, W. Bro. Roger Kitching, receiving the Plaque from W. Bro. James Brown indicating the donation of the chairs to Zeta Shamrock Lodge and now to the Belrock Masonic Centre.

The chairs being removed from the lodge room are Rameses Shrine Temple. The removal of the chairs was undertaken by members from the Zeta Shamrock Lodge; W. Bro. James Brown and daughter Emma, V.W. Bro. Gordon Donnelly, W. Bro. Allan Magda along with Sudbury-Manitoulin district members Bro. John McCowan, W. Bro Ben Mullen, Bro. Stan Waltenbury, V.W. Bro. Brian Stoddart, W. Bor. Roger Kitching, Bro. Alan Fey, Bro. Kevin Pattison and family Rosie Pattison and Lisa McCormick.

The crew takes a well deserved coffee break after the chairs are removed and loaded. The transportation of the chairs was made possible by the very generous donation of a transport truck by Bro. Kevin Pattison.

Arriving at Belrock.

Just about finished unloading – W. Bro. Stephen Fleming and W. Bro. Ben Mullen

The removal crew beside the transport; (L-R) Allan Magda, James Brown, Kevin Pattison, Gordon Donnelly, Brian Stoddart, Stan Waltenbury, Emma Brown, John McCowan, Ben Mullen, Rosie Pattison, Lisa McCormick, Alan Fey.

The chairs are here and stored for installation during July/August Call Off. W. Bro. Stephen Fleming, W. Bro. Ben Mullen.

There are many many Thank Yous to all that helped to make the delivery of our chairs happen . . .

What Masons can do helping Masons.
